EL SEGUNDO, Calif., March 20, 2018 (GLOBE NEWSWIRE) -- [A-Mark Precious Metals, Inc.](#) (NASDAQ:AMRK), (A-Mark), a full-service precious metals trading company and an official distributor for all the major sovereign mints, has renewed its syndicated line of credit, led by Administrative Agent Cooperatieve Rabobank U.A. (Rabobank), which provides A-Mark with access of up to \$260 million, featuring a \$210 million base with a \$50 million accordion option. The facility marks the renewal and replacement of the company's existing credit facility.

Rabobank, a global financial firm providing wholesale and retail banking services, acted as the Sole Lead Arranger/Bookrunner and Administrative Agent in the syndicate. Natixis, the second largest bank in France, served as Syndication Agent. A-Mark intends to use the proceeds from the credit facility for the purchase of precious metals from suppliers as well as for general operating cash flow purposes.

"The renewal with our existing bank facility partners reflects their support of A-Mark's long-term strategy to scale and diversify our business," said company CEO, Greg Roberts. "This new facility is targeted to our current liquidity requirements, taking into account our other financing resources. We continue to assess other sources of cost-effective capital as we look to further expand our platform of products and services."

Additional details of the credit facility agreement are available in the company's current report on Form 8-K, which will be filed with the U.S. Securities and Exchange Commission by no later than March 22, 2018.
