Founded in 1965, A-Mark Precious Metals, Inc. (NASDAQ: AMRK) is a leading fully integrated precious metals platform that offers an array of gold, silver, platinum, palladium, and copper bullion, numismatic coins and related products to wholesale and retail customers via a portfolio of channels. The company conducts its operations through three complementary segments: Wholesale Sales & Ancillary Services, Direct-to-Consumer, and Secured Lending. The company's global customer base spans sovereign and private mints, manufacturers and fabricators, refiners, dealers, financial institutions, industrial users, investors, collectors, and e-commerce and other retail customers.

A-Mark's Wholesale Sales & Ancillary Services segment distributes and purchases precious metal products from sovereign and private mints. As a U.S. Mint-authorized purchaser of gold, silver, and platinum coins since 1986, A-Mark purchases bullion products directly from the U.S. Mint for sale to customers. A-Mark also has longstanding distributorships with other sovereign mints, including Australia, Austria, Canada, China, Mexico, South Africa and the United Kingdom. The company sells more than 200 different products to e-commerce retailers, coin and bullion dealers, financial institutions, brokerages and collectors. In addition, A-Mark sells precious metal products to industrial users, including metal refiners, manufacturers and electronic fabricators.

Through its A-M Global Logistics subsidiary, A-Mark provides its customers with a range of complementary services, including managed storage options for precious metals as well as receiving, handling, inventorying, processing, packaging, and shipping of precious metals and coins on a secure basis. A-Mark's mint operations, which are conducted through its wholly owned subsidiary [Silver Towne Mint](#), enable the company to offer customers a wide range of proprietary coin and bar offerings and, during periods of market volatility when the availability of silver bullion from sovereign mints is often product constrained, preferred product access.

A-Mark's Direct-to-Consumer segment operates as an omni-channel retailer of precious metals, providing access to a multitude of products through its wholly owned subsidiaries, [JM Bullion](#) and [Goldline](#). JM Bullion is a leading e-commerce retailer of precious metals and operates five separately branded, company-owned websites targeting specific niches within the precious metals market: [JMBullion.com](#), [ProvidentMetals.com](#), [Silver.com](#), [GoldPrice.org](#), [SilverPrice.org](#). JMB also owns CyberMetals, an online platform where customers can purchase and sell fractional shares of digital gold, silver and platinum bars in a range of denominations. Goldline markets precious metals directly to the investor community through various channels, including television, radio and telephonic sales efforts. A-Mark also holds minority ownership interests in two additional direct-to-consumer brands.

The company operates its Secured Lending segment through its wholly owned subsidiaries, Collateral Finance Corporation ([CFC](#)) and AM Capital Funding. Founded in 2005, CFC is a California licensed finance lender that originates and acquires loans secured by bullion and numismatic coins. Its customers include coin and precious metal dealers, investors and collectors. AM Capital Funding was formed in 2018 for the purpose of securitizing eligible secured loans of CFC.
