A-Mark's mint operations, which are conducted through its wholly owned subsidiary [Silver Towne Mint](#), enable the company to offer customers a wide range of proprietary coin and bar offerings and, during periods of market volatility when the availability of silver bullion from sovereign mints is often product constrained, preferred product access.

A-Mark's Direct-to-Consumer segment operates as an omni-channel retailer of precious metals, providing access to a multitude of products through its wholly owned subsidiaries, [JM Bullion](#) and [Goldline](#).
