About the Gateway Conference

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly-traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 60 small-cap growth companies from a number of growth industries, including technology, business services, digital media, clean-tech, consumer, Internet retail and life sciences. For more information, visit www.gateway-conference.com.

The invitation-only conference is hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community. For more information about Liolios Group, visit www.liolios.com.

About A-Mark Precious Metals

A-Mark Precious Metals, Inc. is a full-service precious metals trading company and an official distributor for many government mints throughout the world. The company offers gold, silver, platinum and palladium in the form of bars, plates, powder, wafers, grain, ingots and coins. Its Industrial unit services manufacturers and fabricators of products utilizing or incorporating precious metals, while its Coin & Bar unit deals in more than 200 coin and bar products in a variety of weights, shapes and sizes for distribution to dealers and other qualified purchasers. The company operates trading centers in Santa Monica, California, and Vienna, Austria, for buying and selling precious metals.

In addition to wholesale and trading activity, A-Mark offers customers a variety of services, including financing, consignment and various customized financial programs. As a U.S. Mint-

authorized purchaser of gold, silver and platinum coins, A-Mark purchases bullion products directly from the U.S. Mint for sale to customers. A-Mark also has distributorships with other sovereign mints, including in Australia, Austria, Canada, China, Mexico and South Africa. Customers of A-Mark include mints, manufacturers and fabricators, refiners, coin and metal dealers, banks and other financial institutions, jewelers, investors and collectors.
