

## A-Mark Precious Metals Appoints Kathleen Simpson-Taylor as Chief Financial Officer

September 16, 2019

EL SEGUNDO, Calif. , Sept. 16, 2019 (GLOBE NEWSWIRE) -- **A-Mark Precious Metals, Inc. (NASDAQ: AMRK)**, a leading full-service provider of products and services to the global precious metals market, has appointed Executive Vice President, Controller and Assistant Secretary Kathleen Simpson-Taylor, CPA as Chief Financial Officer (CFO), effective September 30, 2019. Simpson-Taylor will replace Cary Dickson, who has served as CFO of A-Mark since November 2015.

Dickson, who has commuted daily from Orange County to the company's headquarters in El Segundo for the past four years, elected to step down as CFO to pursue an opportunity close to home. Dickson's resignation was not a result of any disagreements with the company relating to its financials, operations, policies or practices.

"We are immensely grateful to Cary for the countless ways in which he elevated and transformed the finance division and the company as a whole," said CEO Greg Roberts. "We are fortunate to have someone of Kathleen's caliber ready to step into this important leadership position, which is a true testament to Cary's commitment to building a deep bench of talent."

Dickson added: "I am very proud to have been part of A-Mark's growth and expansion of the business to where it is today, and want to thank Greg and the Board of Directors for supporting my decision. I believe A-Mark is well positioned to make this transition and that Kathleen is the right candidate to assume the role of CFO, allowing for continued commitment to quality and continuity within the finance department."

Simpson-Taylor was appointed Executive Vice President, Controller and Assistant Secretary in November 2017, after serving as Vice President, Controller and Assistant Secretary since January 2016. Prior to A-Mark, Simpson-Taylor held various executive positions at Mattel, Inc. from 2000 to 2015, including Vice President, Mattel Division Finance and Vice President, USA Finance, and served as a member of the Board of Directors of the Mattel Federal Credit Union from 2002 to 2004. Prior to Mattel, Simpson-Taylor held management positions at EY (Ernst & Young).

Simpson-Taylor, a Certified Public Accountant, holds a Bachelor of Science in Accounting from Loyola Marymount University.
